

Norsk Grotteblad nr 66, Juli 2016

NGB - Status

NGB - Status

Our magazine, Norsk Grotteblad, has been published in two issues a year for the last 14 years. On the web site www.speleo.no there is a complete index for all issues, now also with links to editorials and English summaries shown as pdf-files. There is an ongoing project of proof-reading the material. The tables in the article show some statistics about the magazine.
