EURO SPELEO 13-20 August 2016

There were 1300 participants, from 36 countries at the 5th European Speleological Congress held in Yorkshire Dales August 2016. 800 people camped. The dining marquee seated 500. 176 shafts in 30 caves were rigged and 700 caving trips were arranged.

The Craven Pothole Club winch at Gaping Gill t was used 400 times at the 100m shaft in the main chamber.

An A0 poster about the Norwegian Cave Index and Bibliography was displayed

The UIS Informatics Commission Publications Exchange Working Group discussed UIS Documentation Centres and the future of BBS Speleological Abstracts.

In addition to lectures and meetings there was a banquet and evening entertainment

Thanks are due to the organisers for such an enjoyable and rewarding congress.

Welcome to Hidden Earth 2017. Details will appear on the website in due course.
