Thailand-action

Ivan Karadzic was at an event in Fornebu, 15.10.2018, where he talked about his rescue adventure in the Tham Luang cave this summer.

He has dived in Thailand since about 2000. From 2006 he has worked as a technical instructor, since 2010 as a training instructor and from 2016 as a cave diver. Han has his own diving base on the island of Koh Tao and this article describes his experiences.
