

Norsk Grotteblad nr 25, Desember 1992

Årsmøte i Norsk Grotteforbund 1992

This is a report of the annual meeting 1992. The main issues, besides elections, approving the accounts and other annual matters, were:

- The regulations were changed by taking in a new section about cave safety.
- A statement with regard to cave conservation was decided.
- The cave conservation committee's mandate was prolonged and changed.
