Årsmøte '94 legges til Evenes

The annual general meeting will be held in Evenes, North Nordland

Evenes Villmarksgruppe (Evenes Wildernes Club) have enthusiastically agreed to arrange the annual general meeting. We will be given a first hand account of the position regarding Trollkjerka, in respect of both degradation and closure. The meeting will be held from 23. - 25. September. Contact person is Per Vestvik, who says that preparations are already under way. He promises a testing rescue practice in Trollkjerka. Invitation to the AGM will as usual be sent out a month before the meeting with details of time, place, arrangements and practicalities. Please send items for discussion.
