Avklaring omkring kjøkkenvasken

Explanations regarding Kjøkkenvasken

Harry Bjerkli wants to know where all the metres of passage in Kjøkkenvasken have got to. According to the latest reports from England the cave should have a total length of about 2.000 m. If anyone in Norway or England has a map or other detailed information about Kjøkkenvasken he would like to see it. Obtain evidence that the cave is 2.000 metres long!
