Referat fra årsmøtet i Fauske, lørdag 8.august 1998

The Annual General meeting 1998

Usual issues were processed. From the annual report it can be mentioned that NGF has got its own homepage on Internet. We have also been working on a registration form for cave rescue purposes. The Form will be a starting-point in forming a rescue group. NGFS regulations were changed in some paragraphs - cave ethics and cave security. New member on the Board is Roy Larsen who replaces Per Vestvik.
