

Norsk Grotteblad nr 37, Mai 2001

Årsmøtet i Norsk Grotteforbund 2000

AGM of the Norwegian Speleological Society, July 2000.

Svein Grundstrøm was elected as the Society's new leader. A report was given on the situation regarding the cave rescue group. This is reasonably satisfactory. The AGM was informed of David St Pierre's generous offer of his cave register as a testamentary gift.
