

Norsk Grotteblad nr 40, Mars 2003

Årsmøtet 2002

The AGM of the Norwegian Speleological Society 2002

The meeting was held on July 26 in Bonå-dalen. 24 persons participated. Svein was reelected as leader. Christian Rushfeldt was elected as responsible for rescue work (NGRT), taking over after Torstein Finnesand. The surveying of Tjorve started on the following day with participants from Sweden, Poland, France and Norway.
