

Trollkyrkja

Trollkyrkja

This karstic cave is situated at Sandnestindan by Fræneidet, Fræna community, north of Molde, by road RV64. Park by the info sign. 1,5 hours walk by easy footpath. Nice, high waterfalls and clean blue/white marble. About 3000 visitors every summer. Do not forget to sign the visitor's book, by the lowest entrance. Bradford Pothole Club surveyed the cave in 1965.
