Liseterbekkgrotta

Liseterbekkgrotta

Liseterbekkgrotta is a stream cave in clean, white marble, situated at Røssvoll in Rana. Park by gravel pit at left hand after 500 meters on Hauanveien, by bridge on E6, south of Røssvoll. Follow dirt road leading uphill 100 meters, take left 200 meters in the forest to the resurgence. The sink is another 800meters up the dirt road, at right hand side.

English cave divers has done a thru sumps trip.
