Grønligrotta

Grønligrotta

The most well known cave in Rana throughout time. The cave is situated near the Grønli farm in Røvassdalen. In tourist season there is guiding. The outer parts have permanent ladders, bridges and electric lights. At Avgrunnen and Ny-juvet ladders are needed. The pitches are 12 and 8 meters. Grønligrotta is the largest tourist cave in Norway with approximately 13 000 visitors pr year.
