Gjenoppstandelse av Rana Grotteklubb

New caving club 1: Rana Grotteklubb

43 years ago there was a local club called Rana Grotteklubb (1966-68). March 2011 a new club was born in the exact same town - with the exact same name: Rana Grotteklubb (English: Rana Caving Club). Our first Annual Meeting was held 27th of April 2011, a statute was adopted and our first leader elected: Viggo Frorath Bruksås. Today we have 23 members and our goal is to create a social environment with caving in focus. In an inclusive community we enjoy the great diversity of interests (mapping, climbing, photography, biological findings etc.) and we grow from each others knowledge and experiences. We already had a lot of activity, and there will be even more in the future!
